LB 1064, 968

SENATOR CHRONISTER: That's right. The bank has the first, the prior lien.

SENATOR KAHLE: Okay, I can't imagine a bank loaning anybody any money if they didn't also provide for the feed. So, thank you.

PRESIDENT: Is there further discussion on LB 1064? Do you have any closing, Senator Chronister? You've made the motion to advance. And the motion is to advance the bill from General File to Enrollment and Review. All those in favor vote aye, opposed vote no. We're voting on Senator Chronister's motion to advance LB 1064 from General File. Please record your vote. Please record your vote on the advancement of LB 1064. We need some help from Senators on noncontroversial legislation. Clerk will record the vote.

CLERK: 25 ayes, 0 nays on the motion to advance the bill, Mr. President.

PRESIDENT: LB 1064 is advanced. Next is LB 968.

CLERK: 968, Mr. President, offered by Senators Haberman, Remmers, Richard Peterson, Chronister, Eret. (Read title.) The bill was read on January 11, referred to the Ag and Environment Committee for, excuse me, referred to the Public Works for hearing, was advanced to General File. I have no amendments to the bill.

PRESIDENT: Senator R. Peterson. Senator Richard Peterson.

SENATOR R. PETERSON: Mr. President and members, I move 968. 963 is to provide that if damage to a public road is caused by a mechanical malfunction of irrigation equipment more than two times in a calendar year, they shall be subject to a Class V misdemeanor. This will not add workload to the court system in any extent. There's just a few of those out there but they need to be corrected. There's no fiscal impact. And if any of you have ever drove down a county road, especially at night, and hit one of these squirting out on the road, you know what I mean and you haven't lived
